Cattle Guards

12'CAT.GUARD W/WINGS

SKU: 095CGW12

- 12' Long X 6' Wide Flat Cattle Guard With Wings
- 8" X 11.5lb Channel Support Beams
- Comes standard with a grey enamel finish.
- Pipe ends are capped with 12ga steel to prevent water from sitting in pipe
- Winged cattle guards make it more difficult for cattle to cross ends.
- Wings add 18" on each side of the Cattle Guard.
- Wings are made of 1 7/8 outside diameter 16ga tubing.
- These cattle guards are fully welded and built to withstand the weight of a fully loaded tractor trailer.
- Due to availability of pipe, cattle guards will be built with either 9 pieces of 4 1/2" outside diameter pipe, or 11 pieces of 3 1/2" outside diameter pipe.

Our price: \$1,429.00

Weight: 1750.00lbs
